**All the details and options
for the VANTourer GO!
www.vantourer.com/go!**

We charge a standard fee of 1.690,– for preliminary freight, freight, TÜV, certificate of title and gas test in Germany.

All prices in Euro, valid for the German market. All prices include statutory VAT at the rate of 19% applicable in Germany and are subject to changes in the tax rate. We reserve the right to make variations – whether in colour, texture or material – provided these are within the bounds of standard commercial practice. This also applies to technical modifications to the VANTourer GO! 2027, provided that the product quality remains the same or is improved as a result. Errors and changes reserved.
